Welcome to the Everett Chorale's 2016/2017 Season!

The Everett Chorale handbook contains a wealth of information about the operation of the Chorale and your participation in this outstanding organization. If you have additional questions, please ask your section leader or any member of the Chorale board.

CHORALE MEMBERSHIP:

Membership in the Everett Chorale is open to all interested singers with previous choral experience. Enrollment is limited to 100 voices based on balance between the sections and individual voices. Section placement is guided by a simple audition by the director. The audition is a non-threatening 10-minute procedure to give the director some idea of the vocal quality and capability of individual singers. The audition and enrollment routine is as follows:

Enrollment:

- The Everett Chorale is affiliated with Everett Community College and is part of their Corporate and Continuing Education Program. Information can be found in the Everett Community College Continuing Education catalog. You can register online at www.everett.edu/ccec or call 425-267-0150.

Auditions:

- If you are new and pre-registered call the director, Lee Mathews, at 425-789-1162 to make an appointment. In many cases, auditions are held on the first evening of the quarter. Audition times are also announced during the first rehearsal of each quarter for those who have not yet auditioned.

- Please appear on time for your audition. Do not bring any prepared music. You will be asked to sing a familiar song chosen by the director, to sing a harmony part while the director plays the melody, and to vocalize through your entire range. Having any difficulty with this does not necessarily mean you are disqualified but does give the director important information about the singer's ability to be successful as a Chorale member.

REHEARSALS:

Rehearsals for the 2016/2017 season will take place at Our Savior's Lutheran Church, at 215 Mukilteo Blvd. in Everett on Monday evenings from 7:00 to 9:30 PM, and include a 10 minute break. Please be seated and ready to sing promptly at 7:00 PM. Sectional rehearsals will be incorporated into the regular Monday evening rehearsal as needed. Singers are asked to comply with the director's seating arrangement and to return to the same seats on subsequent rehearsals.

Attendance:

Attendance at rehearsals is of the utmost importance for quality performances. Please notify your section leader in advance if you will be absent. If more than **three** rehearsals are missed in the quarter, the singer may be excused from the performance, dependent on circumstances and at the discretion of the director. The attendance records will be maintained and monitored by the Everett Chorale Section Leaders in conjunction with the Chorale Director.

Rehearsal Etiquette:

Maximum enjoyment of Chorale participation can be realized by all if members give their full attention to the director, refrain from chit-chat with neighbors or humming along while other sections are being rehearsed, and listening carefully to all instructions. Members want to have fun singing together and want a smooth flow during the rehearsal and steady progress in mastering their music.

- A pencil may be used to mark the music but all marks should be erased

before returning the music. **Please DO NOT use a highlighter or ink or punch holes in the music.**

- A black folder is required to hold your music during performances and should be in concert order. You can find folders on-line from many vendors - a few to check out are: [Chandler Music On-Line](#), [Musician's Friend](#), [MusicFolder.com](#)
- A procedure for returning the music will be designated at the performance site. If a singer must drop out of the Chorale and is unable to attend the final performance, the singer must return their music to the music librarian, their Chorale section leader or another Chorale member, or mail it to the Chorale at the address listed above (pg 1). Members will be billed the amount of \$50 for failure to return any music.

DRESS CODE:

Sopranos/Altos:

A black Georgette dress with Amadeus jacket, black pantyhose and black closed toe shoes are required. The cost of the dress and jacket is approximately \$110. An order form is linked below for use in ordering the dress. Knee high stockings are not appropriate because of the slit in the back of the dress. All women may be required to purchase a special colored scarf during the season at an approximate cost of \$3.00. Both men and women should refrain from wearing perfume, after-shave lotion, or hair sprays, which can trigger serious breathing problems in susceptible members.

Members may be asked not to perform if the above dress codes standards are not met.

SOLOISTS AND INSTRUMENTALISTS:

The director determines the nature and composition of the programs. Soloists may be selected from within or outside the Chorale membership and auditions for solo parts will be announced in advance by the director. The Choral Arts Orchestra, made up of prominent local instrumentalists, accompanies many of the major works sung by the Chorale. Other soloists and music groups may be invited by the director to participate in our programs.

STAGE ETIQUETTE:

- The Chorale often performs on risers and will be in no way liable for injuries or death of a singer on the riser, nor getting on or off the risers. A singer will notify the conductor of any reason they cannot be on a riser and accommodations will be provided.
- When entering or leaving the stage, performers should carry their black folders with their music in their left hand. Music should remain at their left side until the director cues it is to be raised.
- When the orchestra or soloists are performing alone, do not follow along in the score unless directed to do so. Instead turn pages to the next choral entrance and be prepared to sing on cue by the director. Skipping to the next vocal section is greatly assisted by paper clipping pages together.
- Singers should maintain eye contact with the conductor during performance and avoid letting their attention wander into the audience while performing. Singers should never chew gum on stage. Food, drink and cellphones are not allowed.
- When entering EPAC for final rehearsals and performances, singers should come through the rear loading dock door and down the hall to the Anderson room, not through the main lobby entrance.
- Singers should refrain from going into the EPAC lobby before performances

and during intermission.
